

Technology Recipient Application

C2SDK believes all children and their families in San Diego, regardless of their economic status, need to be computer literate and have equal access to technology and the crucial educational, occupational, and financial resources that technology can provide to improve their educational options and their families. We hope to place computers in the homes of all deserving families who want to enrich their education through technology tools.

Each computer includes a refurbished desktop computer, full size CRT monitor, keyboard, and mouse and is loaded with Microsoft Windows and Office Suite software. **Only one application and one computer per household.** Please provide income verification (i.e. paystub, tax filing, and government income verification forms). We are asking all computer recipients when approved to make a small \$25 donation at the time of system pick-up to help offset the cost of the loaded software (a \$475 value).

Application Process:

1. Complete application and return by mail to: C2SDK, 3510 Front Street, #3D, San Diego, CA 92103
2. Once application is received, it will be reviewed by the C2SDK staff
3. If approved, you will receive a confirmation postcard.
4. When your system is ready, we will send you a confirmation letter that indicates the time to pick up your system from our warehouse at: 7630 Miramar Road, Suite 2300, San Diego Ca 92126. (Approval process may take up to 3 months from receipt of application)
5. If you have any questions, please contact us at (858) 635-5774 or info@computers2sdkids.org.
